

SCIENTIFIC AGENDA HALL - A (DAY 1)

| Time | Topic | Speaker |
|-------------------|--|---------|
| Chairpersons: | | |
| 09:00am - 09:25am | MASLD - Diagnosis made easy | |
| 09:25am - 09:50am | TBD | |
| 09:50am - 10:15am | TBD | |
| 10:15am - 10:40am | Ocular effects of Antihyperglycemic therapy | |
| 10:40am - 11:05am | Latest advances in the management of DME | |
| 11:05am - 11:30am | Retinal imaging in the Diabetes clinic setup-dos and dont's | |
| 11:30am - 12:30pm | Morning Coffee Break (10 min) | |
| Chairpersons: | | |
| 11:40am - 12:05pm | Obesity - what causes it? | |
| 12:05pm - 12:30pm | Classification of Obesity | |
| 12:30pm - 12:55pm | Pharmacological treatment of Obesity TBD | |
| 12:55pm - 01:20pm | Thin fat Obesity | |
| 01:20pm - 01:45pm | Exercise prescription in obesity | |
| 01:45pm - 02:10pm | Newer anti-obesity drugs in the pipeline TBD | |
| 02:10pm - 02:55pm | Lunch Break (45 min) | |
| Chairpersons: | | |
| 02:55pm - 03:20pm | Medical nutrition therapy in GDM (pharma topic) | |
| 03:20pm - 03:45pm | Protein supplements : myths and facts | |
| 03:45pm - 04:10pm | Meal replacements in diabetes | |
| 04:10pm - 04:35pm | Meal prescription for meeting protein requirements : Case based examples | |
| 04:35pm - 05:00pm | Artificial sweeteners : Myths and facts | |
| 05:00pm - 05:10pm | Evening Coffee Break (10 min) | |
| Chairpersons: | | |
| 05:10pm - 05:35pm | Biosimilars (can ask liraglutide - eris or glenmark) - TBD | |
| 05:35pm - 06:00pm | Why and How of CGM use in DM care of pregnancy - | |
| 06:00pm - 06:25pm | GDM therapy Insulin versus Metformin- what does evidence say ? | |

SCIENTIFIC AGENDA HALL - B (DAY 1)

| Time | Topic | Speaker |
|----------------------|--|-------------------|
| Chairpersons: | | |
| 09:00am - 09:25am | TBD | |
| 09:25am - 09:50am | TBD | |
| 09:50am - 10:15am | Medical writing in the age of AI | |
| 10:15am - 10:40am | Recent advances in CGMS | |
| 10:40am - 11:05am | Non invasive glucose monitoring: Where are we? | |
| 11:05am - 11:30am | PANEL- Tech vs tradition: Optimising the diabetes care in resource poor settings | |
| 11:30am - 12:30pm | Morning Coffee Break (10 min) | |
| Chairpersons: | | |
| 11:40am - 12:05pm | Pituitary incidentaloma- how should we followup ? | |
| 12:05pm - 12:30pm | Recognising and treating Hypopituitarism in hospitalised patients | |
| 12:30pm - 12:55pm | TBD | |
| 12:55pm - 01:20pm | TBD | |
| 01:20pm - 01:45pm | TBD | |
| 01:45pm - 02:10pm | PANEL- Acromegaly management: guidelines vs real world care | |
| 02:10pm - 02:55pm | Lunch Break (45 min) | |
| Chairpersons: | | |
| 02:55pm - 03:20pm | TBD | |
| 03:20pm - 03:45pm | TBD | |
| 03:45pm - 04:10pm | TBD | |
| 04:10pm - 04:35pm | TBD | |
| 04:35pm - 05:00pm | PANEL- adrenal incidentaloma evaluation in real world setting | |
| 05:00pm - 05:10pm | Evening Coffee Break (10 min) | |
| Osteoporosis | | |
| Chairpersons: | | |
| 05:10pm - 05:35pm | Romsozumab- Can talk to DRL [Pharma topic] | |
| 05:35pm - 06:00pm | Combination vs sequential therapies in osteoporosis treatment | |
| 06:00pm - 06:25pm | Role of bone turnover markers in osteoporosis diagnosis and treatment | Dr. Nithin kapoor |

SCIENTIFIC AGENDA HALL - A (DAY 2)

| Time | Topic | Speaker |
|----------------------|--|---------|
| Chairpersons: | | |
| 09:00am - 09:25am | PCOS phenotypes: Tailoring treatment to metabolic profiles | |
| 09:25am - 09:50am | Medical management of hirsutism and hyperandrogenism - what has changed in the last 5 years | |
| 09:50am - 10:15am | GLP1 analogues in the management of PCOS - Status in 2025 | |
| 10:15am - 10:40am | Hypothyroidism in pregnancy - Case Histories with panel discussion | |
| 10:40am - 11:05am | | |
| 11:05am - 11:30am | Managing Grave's hyperthyroidism through pregnancy | |
| 11:30am - 12:30pm | Morning Coffee Break (10 min) | |
| Chairpersons: | | |
| 11:40am - 12:05pm | ORATION | |
| 12:05pm - 12:30pm | Managing Thyroid functions in IVF- ET in patients with hypothyroidism | |
| 12:30pm - 12:55pm | Glucose control in the patient undergoing IVF- emerging challenges- panel discussion | |
